KS1 Teacher

September 2026

For boys 3-11

## *Welcome from the Head*

Thank you for expressing an interest in joining us here at Merchant Taylors' Prep.

MTP is a warm and welcoming boys 3-11 prep school in Moor Park, Rickmansworth. We are a school committed to maintaining a strong academic tradition whilst preserving a balance between the academic, spiritual, emotional and physical needs of our pupils. We seek to develop the boys' character through promoting values and dispositions, high quality teaching and an extensive range of extra-curricular activities.

Since joining the Merchant Taylors' family of schools in 2015 we have been collaborating with the senior school to create, for the first time in Northwood, a 'through school' experience for boys from 3 to 18. This has been a very exciting development conceived with the aim of creating a cohesive and seamless curriculum and making the process of transfer from the prep school to the senior school simpler.

The admissions system for our pupils to Merchant Taylors' School is based on on-going assessment at school and not dependent on one external examination. This has freed significant time in our curriculum, which we have been devoting to 'intellectual curiosity' and the development of higher order thinking skills.

Prior to 2015, we were known as Northwood Prep, with a very successful history since 1910, when the school was founded by Francis Terry. Throughout more recent developments, Francis Terry's original vision of the school has been maintained. A Christian, caring environment has been established where each pupil is valued as an individual and given a full range of opportunities, and all concerned - pupils, staff and governors - strive for excellence.

Head

# *The School*

## *History*

Merchant Taylors' Prep, originally founded in 1910 as Northwood Prep by Francis Terry, has a long history of excellence in education. The school moved to its current site at Moor Farm in 1982, where it has since flourished. In 2015, the school became Merchant Taylors' Prep, aligning with the broader Merchant Taylors' educational family.

Set on a beautiful 15-acre site, the school combines Grade II listed farm buildings with modern facilities such as the Pre-Prep and Sports Hall. This unique setting provides a stimulating environment where pupils can learn, grow, and thrive. The grounds are rich in history. They are the site of Cardinal Wolsey's home the Manor of the More, later owned by Henry VIII and lived in by Catherine of Aragon, the site of the Treaty of the More in 1525. This heritage is an integral part of the school's character, providing a sense of continuity and inspiration.

## *Academic Excellence*

We provide an exceptional academic experience within a selective setting, designed to challenge and inspire our pupils. Admission is competitive at each entry point, 3+, 4+, and 7+, ensuring we admit boys who will thrive in our supportive, dynamic, and intellectually stimulating environment. Our broad and balanced curriculum is tailored to meet the needs of each individual, fostering intellectual curiosity and a love of learning.

Through a combination of excellent teaching and strong pastoral care, we aim to develop well-rounded, confident learners. Our pupils consistently achieve excellent results and make successful transitions to senior school, with the majority progressing to Merchant Taylors' Senior School. Many boys are also awarded scholarships for their academic achievements and talents in sports, music, and the performing arts.

## *Key Stage 1 Teacher*

A talented and nurturing Key Stage 1 teacher is required for September 2026 to provide outstanding learning experiences for children and be part of our thriving pre-prep department.

The successful candidate will be a caring teacher who is committed to the holistic development of young children, and who exhibits comprehensive knowledge and effective implementation of the KS1 curriculum to deliver high-quality education. We welcome applications from experienced teachers as well as those in the early stages of their careers.

The above position provides a wonderful opportunity to work in a high achieving school with very well motivated pupils, small classes and supportive parents. Opportunities for additional leadership roles may be available for suitably experienced candidates.

# *Key Stage One Teacher - Job Description*

Position Title: KS1 Teacher

Line Management: Reporting to KS1 Lead

## *Key Responsibilities*

- Foster a love of learning and ensure high standards of teaching in line with the Merchant Taylors' Curriculum.
- Ensure teaching practices meet the National Teaching Standards, promoting excellence in teaching, learning and assessment.
- Follow the school's Schemes of Learning to teach children in Key Stage One, ensuring preparation for their transition to Key Stage 2.
- Provide timely and quality information and feedback to children and parents regarding progress, incorporating regular observations and assessments, while also sharing updates on children's holistic development and well-being.

# *The Pre-Prep Department*

## *Pre-Prep*

The Pre-Prep Department at Merchant Taylors' Prep provides a dynamic, stimulating, and supportive environment where children aged 3 to 7 embark on their educational journey. Located in the Manor of the Rose for Nursery and Reception, and on the main Prep site for Years 1 and 2, our Pre-Prep offers a seamless transition through these formative years, establishing the solid foundations needed for both academic success and personal growth.

Our curriculum is designed to inspire curiosity, foster creativity, and develop key skills that will serve children throughout their lives. We take a child-centred approach, blending structured teacher-led activities with opportunities for child-initiated exploration. This ensures that every child's natural love of learning is nurtured from the very beginning.

## *Early Years (Nursery and Reception)*

In the Early Years, we prioritise the development of emotional intelligence, resilience, and empathy. Our focus on personal, social, and emotional development allows children to build strong social connections and a positive attitude towards learning. Through play-based learning, children develop early literacy and numeracy skills, with a particular emphasis on phonics and reading in Reception.

As a member of our team, you will be integral to this holistic approach, fostering curiosity, creativity, and independent thinking in the children. You will work alongside specialist teachers to enrich the curriculum with Music, French, and Physical Education (PE). Weekly Forest School sessions offer unique opportunities to engage children with nature, promoting environmental awareness and teamwork while developing resilience and problem-solving skills.

# *The Pre-Prep Department*

## *Years 1 and 2*

As children move into Years 1 and 2, the curriculum becomes more structured while maintaining a sense of discovery and fun. You will have the opportunity to inspire children through exciting, topic-based learning that integrates core subjects, ensuring lessons remain engaging and meaningful.

In English, children build on phonics and early reading in Year 1, progressing to greater fluency in Year 2. In Mathematics, the curriculum lays a strong foundation in number, shape, and problem-solving, providing an opportunity to cultivate key mathematical skills. Through hands-on exploration in Science, children are encouraged to ask questions and develop a sense of curiosity about the world around them. History and Geography topics broaden children's understanding of time, place, and the environment.

As part of the Pre-Prep team, you will also be involved in delivering Art, Design & Technology, and Computing, promoting creativity, practical skills, and digital literacy. PSHCE and Philosophy for Children (P4C) will also be areas where you'll help support the development of emotional intelligence, resilience, and critical thinking skills.

Specialist lessons in Music, French, and PE remain integral, and outdoor learning through Forest School continues to offer rich opportunities for developing leadership, teamwork, and resilience. You will work closely with the team of specialist teachers to deliver a rounded education, ensuring that every child has the support they need to thrive.

## *The Pre-Prep Department*

### *A Strong Team with a Child-Centred Approach*

Our Pre-Prep team, led by Mrs Colette Quinlivan, is dedicated to providing a personalised, child-centred approach to learning. With over a decade of senior leadership experience and a passion for literacy and phonics, Mrs Quinlivan ensures that the department remains a place where every child can flourish academically, socially, and emotionally.

Working in small class sizes of up to 20 children, you will have the opportunity to offer individualised attention and tailored support, allowing you to make a real impact on each child's development. Our collaborative approach means that you will work closely with parents and other staff members to ensure that every child receives the best possible start to their educational journey.

### *Why Join Merchant Taylors' Prep?*

At Merchant Taylors' Prep, we believe that Key Stage One is a critical time for exploration, creativity, and the development of key skills that set the foundation for lifelong learning. Joining our Pre-Prep team means becoming part of a caring, supportive environment where every day is an opportunity to make a lasting impact on a child's education and personal development.

With a focus on excellence in teaching, compassion in care, and the opportunity for every child to succeed, our Pre-Prep offers a fulfilling and rewarding environment for both children and staff. If you are passionate about fostering young minds and creating an environment where children can thrive, we would love to hear from you.
